

Registration Announcement

Dear Colleagues,

We are pleased to announce the opening of registration for the IUCAF 6th School on Spectrum Management for Radio Astronomy, which will be held from 29 September to 3 October 2025 at the Observatorio Astronómico Nacional in Alcalá de Henares, Madrid, Spain.

Please register at your earliest convenience here:

<https://forms.gle/HNgLqYCzNVwVBMX58>

This school is intended for scientists, engineers, and administrators engaged (or willing to be) in radio astronomy and spectrum management. The program will provide both theoretical and practical instruction on the challenges and tools related to the use and protection of the radio spectrum for scientific purposes.

The school will include technical lectures, interactive sessions, and organized visits, including a tour of the Yebes Observatory.

Further information about the event, including logistics, accommodation, and registration details, is available on the official website: <https://www.iucaf.org/sms2025/>. Please note that registration for in-person attendance will close on 29 August 2025 and may be subject to capacity limits.

We strongly recommend that you book your hotel in Alcala de Henares as soon as practicable.

We look forward to welcoming you to Alcalá de Henares for this important occasion.

Sincerely,

IUCAF SMS25 Organizing Committee
